Education

- **University of Cincinnati** Cincinnati, OH
Master of Science in Physics; GPA:3.3 *Sep. 2005 – Dec. 2010*
 - **Scholarships & Honors:**
 - * UGS Scholarship for Engineering, 2011
 - * Mary J Hanna Fellowship, 2010
 - * UGS Scholarship for Physics, 2008-2010
 - * Dean's List, 2005-2007
- **Ohio University** Athens, OH
Bachelor of Fine Arts in Printmaking; Major GPA:3.6 *Sep. 2000 – Jul. 2004*
 - **Scholarships & Honors:**
 - * Provost's Undergraduate Research Grant, 2003 - Provides support for undergraduate research
 - * Dean's List, 2002-2004

Experience

- **Miami University** Hamilton, OH
Adjunct Professor *Aug. 2010 – Jun. 2011*
 - Developed curricula in introductory physics and astrophysics courses to 100+ students
 - Composed technical presentations of complex physical concepts for major and non-major students
- **Cincinnati State Community College** Cincinnati, Ohio
Adjunct Professor *Feb. 2011 – Jun. 2011*
 - Designed a technical physics curriculum for remedial students
 - Trained and led students in completing technical reports
 - Wrote concise laboratory instruction manuals and coordinated data analysis documentation
- **University of Cincinnati** Cincinnati, OH
Teaching Assistant *Aug. 2008 – Jun. 2010*
 - Administrated 60 labs to 100+ engineers
 - Trained students in accurate and precise measurement techniques and data analysis using DataStudio
 - Separately instructed Mathematica to select advanced students in Aerospace Engineering
- **University of Cincinnati** Cincinnati, OH
Research Assistant *Aug. 2008 – Jun. 2010*
 - Authored detailed, technical documentation for scientific papers such as datasheets and a master's thesis
 - Quality Control for the Cambridge Astronomical Survey Unit Variable Stars (VVV) database
 - Controlled the SpeX spectroscopic tool as a visiting astronomer to the NASA Infrared Telescope Facility

Skills

Personal: Analytical and detail oriented; Quickstudy with proven ability to lead and manage; Broad spectrum of technical knowledge; Talented in analyzing test results and report writing; High manual dexterity and good hand-eye coordination, Strong verbal and written communication of complex concepts to a wide range of audiences

Computer and OS: Proficient in Red Hat Linux, Windows 9x, XP, Vista, 7, Mac OS X; In-depth H/W and S/W knowledge and troubleshooting techniques; OS installations (Dual & Triple Boot); purchasing and building PCs

Software: C++, IDL, IRAF, Mathematica, MSDOS and Shell Scripting, L^AT_EX, HTML; Adobe Illustrator & Photoshop, AutoCAD, GIMP; Microsoft Office, Office Suites

Leadership: Student Activities & Leadership Development

- Vice President: American Institute of Aeronautics and Astronautics – Cincinnati Student Chapter, 2009-2011
- Secretary, Treasurer: University of Cincinnati Astronomy Club – 2008 – 2010
- Secretary, Treasurer: Society of Physics Students – Cincinnati Student Chapter, 2005-2008
- Secretary, Treasurer: Sigma Theta Epsilon – Beta Gamma Chapter, 2006-2008
